Wow! Where to begin? This amazing three bedroom, three bath 55+ condo has been completely remodeled and truly shows pride of ownership. The well maintained condo offers an open plan with gas fireplace, gorgeous kitchen with loads of light, dining room overlooking winding canal, beautiful pristine plank flooring, and first floor owner suite, along with the guest bedroom. The downstairs or basement level features a guest or mother-in-law suite with living area and direct access to a screened patio overlooking the canal. The condo is also fully equipped and designed with features designed to accommodate individuals with disabilities including a lift chair to access the downstairs areas, roll-in shower and more! The condo also comes with deeded access to a detached two car garage as well as two guest parking spaces. Not to overlook your furry friends, pets are permitted with restrictions on size & weight. If you are ready for maintenance free living you need to check out this opportunity.
